

Born and raised in Victoria, Jean's journey has taken her to Vancouver, Alberta, Toronto, and across the United States. However, the allure of the West Coast called her home, where she now raises her family and fully embraces the relaxed yet vibrant lifestyle that only Vancouver Island & Victoria British Columbia can offer.

For her buyers, Jean offers an exclusive promise: if she can't save you at least \$10,000 on your home purchase, she will personally rebate \$1,000 upon completing your transaction. This promise applies to homes priced at \$500,000 or higher.

For her sellers, Jean guarantees results: if she can't secure market value—or better—on the sale of your property, she will return 25% of her service fee (net of expenses) once the transaction is finalized. Jean and the client will review recent, relevant, sales and agree upon the logical pricing strategy.
